## TOURIST VISA

Foreigners who are allowed to travel to the EU, USA, UK or Canada can also visit the Dominican Republic for tourism purposes without a Visa; only a Tourist Card is necessary.

The tourism entry tax (previously known as tourist card) is no longer collected upon arrival, rather should be included in your air fare. Contact your airline or tour operator if you're unsure whether you have already paid this fee. On arrival you will normally be granted a 30- day stay. This can be extended to 60 days by asking for a delay and paying the required fee at the DIRECCION GENERAL DE MIGRACION office, [www.migracion.gob.do](http://www.migracion.gob.do)

As a foreign citizen and in order to get into the country, you will be asked to leave your fingerprints and have a photograph taken. You must carry your original passport, proof of onward or return travel at all times, so that you can present them if necessary (or asked by authorities). **Your entry may be rejected if you don't have proof of onward or return travel.**

**PASSPORT VALIDITY:** if you're travelling as a tourist, your passport must be valid up to at least the date of your proposed return from the Dominican Republic to your country of origin. If you're visiting the Dominican Republic for any other purposes, your passport should have at least six months validity. **TRAVELLING WITH CHILDREN:** According to the Dominican Republic authorities, visitors under 18 travelling to the Dominican Republic don't need written authorization from their parents as long as they enter and leave with the same person or people. If visitors are between thirteen (13) and (18) years of age and are travelling alone, or in a group with no one over eighteen (18) years of age, then parental authorization is not required as long as the group remains the same on entry and exit. Otherwise, a visitor under the age of eighteen (18) must carry a sworn affidavit drawn up by a solicitor and signed by the child's parents or legal guardian(s) authorizing their travel.

You can apply for a Tourist Visa if you are not resident in any country of the EU, UK, USA or Canada, and if your country does not request a visa to visit the Dominican Republic. Please visit the website [http://www.migracion.gob.do/Content/main side banner 01.pdf](http://www.migracion.gob.do/Content/main_side_banner_01.pdf) to see if your country of origin demands for a visa.

- Submitting a visa application does not guarantee automatic issuance of a visa.

The Ministry of Foreign Affairs of the Dominican Republic needs to examine your application and only after the process, it can be concluded whether the applicant is eligible for a visa. You are kindly advised to take this into account when making your travel arrangements and/or buying your ticket. In case you have bought your plane ticket before obtaining your visa, this is a personal risk and does not ensure the issuance of the visa, nor for speeding up the visa procedures.

- Visa processing takes a minimum of ten (10) working days however this time period is flexible depending on the volume of demand for visas at the time of application. Therefore, it is suggested to submit applications as far ahead of the intended travel date as possible. The Consulate does not have an "express visa" system.

- For public holidays when the Consulate is closed, please refer to our facebook site <https://www.facebook.com/consuladodominicanomilano/>

- The visa fee is available to pay through cash (EUROS) and should be paid on the appointment date. The visa fee will not be refunded if the application is not successful.
